Illustrations are for reference only. Styles may vary from actual contents.  
Accessories vary by doll purchased. Each doll sold separately.

## APPLYING NAILS

1. Wash and dry your hands completely before applying Press-On Nails.
2. Choose the correct size of nail for your finger and remove it from the packaging. (Fig. 1)
3. Apply Press-On Nail directly to your own nail and press firmly. (Fig. 2)
4. Repeat steps 2 & 3 above until nails are pressed onto all your fingers.
5. Now you're totally polished™! (Fig. 3)

NOTE: To remove Press-On Nails, wash hands with mild soap & water.

## CAUTIONS

- If skin rash, irritation, sensitivity or other allergic reaction occurs, seek medical attention immediately.
- Keep Press-On Nails away from eyes and mouth.
- DO NOT place Press-On Nails on children, pets, furniture or any item which may be damaged by them.
- Press-on nails may come off when hands are washed.
- Press-On Nails are non-reusable. Discard after use.
- Press-On Nails are not waterproof.
- Do not apply Press-On Nails if your own nails are damaged or infected.
- Keep Press-On Nails away from heat or flame.
- Press-On Nails are for external use only.
- Do not consume (eat) Press-On Nails.
- Press-On Nails are recommended for children 6 years and older.
- DO NOT use any form of heat such as a blow dryer, curling iron, crimper, etc. on the doll's hair or hairpiece if supplied.

Please keep this manual as it contains important information.
